

# PROVIDENT SCHOLARSHIP FUND 2024

Accepting Applications through May 10th

The Provident Scholarship Fund builds on Provident Hospital's rich history, dating back to founder Dr. Daniel Hale Williams, to uplift and support diversity in health care. The Provident Scholarship Fund is a collaboration between Cook County Health, the Cook County Health Foundation and Cook County government and its Project Rainbow initiative which aims to inform, impact and inspire students and families across the County. Scholarships will support awardees who are from, and dedicated to serving, underrepresented communities in Cook County.

*"This scholarship has played a big part in me being able to make my dreams a reality. The Allied Health Scholarship has completely eliminated the expenses associated with furthering my education."*

- **Shanissa Johnson, Allied Health Scholarship Recipient**
